Subject: Main Steet Program

I just wanted to add my positive comments to continued support of the Main Street program. I have seen the results in Butte, Stevensville, and other communities. That program has been the impetus for major development in these cities and towns. The development would NOT have occurred but for the program. Main Street is a government-sponsored economic development program that does work, and I hope the legislature continues to support it in the next biennium.

Bill Bronson,
Great Falls City Commissioner,
President, Montana League of Cities and Towns
